# Save up to \$40.00 on each weekend stay!

**Compare our rates** You will be renting directly through the homeowners and not through the on-site rental agent. And, you almost always will save \$\$\$'s. Excluding holidays and theme timeframes, we discount the Nordic Inn's front desk rates by \$20.00 on each weekend night and \$50.00 on each weekly stay. Smaller discounts apply, midweek. By realizing a savings of almost \$50.00 per weekend rental, you can splurge and have a romantic meal, attend a play, or take in an extra attraction.

**Compare our units** Our select condominiums meet and exceed all current requirements for rental units at the Inn. We offer our guests accommodations to fit every need, ranging from one bedroom studio suites to three bedroom condominiums. We even have one hotel room. Designed for the optimum in relaxed vacation living, these spacious condominiums offer a gracious yet casual ambiance and a myriad of amenities you're sure to enjoy.

Each condo is individually owned and decorated and each reflects the owners' unique taste and style.
